I caught my daughter giving head to my brother
I caught my daughter giving head to my brother
I caught my daughter giving head to my brother
I caught my daughter giving head to my brother

A little bit of domestic fate
I call it graphic pain
Some say to inovate
I dont think that I can

I caught my daughter giving head to my brother
I caught my daughter giving head to my brother
I caught my daughter giving head to my brother
I caught my daughter giving head to my brother

What can be done with my promiscuous daughter
What can be done with my promiscuous daughter
What can be done with my promiscuous daughter
I cant be down with my promiscuous daughter

I guess its just a family name
I could, but dont complain
Everyone can feel the shame
I dont need that again

Some say to inovate
It rained on my parade
A resolution on New Year's day
Then we must transport

What can be done with my...
What can be done with my promiscuous daughter
What can be done with my promiscuous daughter
What can be done with my promiscuous daughter
I can't be down with my...
