"Crawl Away"

Visit "[Crawl Away](#)" on MotoLyrics.com

Slowly
you remember
what it was you use to have
The things you ran away from
will be there to haunt you

You
You crawl away
(You crawl away)
And you
Will always be the one to
Suffer,
Suffer

nothing,
you say will help you
your ways will be your downfall
But the ones you hurt will never forget

Suffering
Delivered unto you
nothing but impurity and dissolution
wreckless
hurtful and betraying
Suffer....suffer...
