know you know what I mean if you ever had someone  
depend on you hey mister I can work all day don't care  
about the weather just take a look at these hands I'm as  
strong as you hey mister I need this job 'cause I told  
her that I'd get one I know you know what I mean if you  
ever had someone depend on you

[chorus]

wanna build her a mountain starting with a grain of  
sand wanna build us a castle in the middle of the  
promise land got a little one coming he's gonna look up  
to me were gonna have a family

me if you look back your wife you had to start  
somewhere too hey mister I need this job 'cause I told  
her that I'd get I know you know what I mean if you ever  
had someone love you

[repeat chorus]
