There you go fallin in love again
This time it's for real
But you ain't going nowhere you ain't already been
You jut like the way it feels
I can get down on my knees and beg you baby
But I ain't got a prayer
So go on and go, and see if I care

(chorus)
See if I care, see if I'll be there
See if I'll be around when he puts you down
To pick you up
See if it's really love, see what he's made of
Go on and go, and see if I care

Girl you found a love that make you feel brand new
You think I'm not enough
But whe it gets old what are you gonna do
When that new wears off
You'll be smiling and dialing my number
To see if I'm still there
Give me a call, and see if I care

(chorus)
See if I care, see if I'll be there
See if I'll be around when he puts you down
To pick you up
See if it's really love, see what he's made of
Go on and go, and see if I care
