Shenandoah & Alison Krauss

(Shenandoah)

A thousand miles of lonesome highway
Drinkin' gallons of coffee in a little cafe
Brought me here and it's so good to find
That there's someone who's got the same story as
mine
Just look at us, we're a couple of hard cases
So how'd we end up where we are?

Somewhere in the vicinity of the heart
Well, I feel somethin' hittin' me awful hard
I don't know where it's callin' me, well, I just know it
starts
Somewhere in the vicinity of the heart.

(Alison Krauss)

It's been so long, I can't believe
I'd get somethin' so sweet
Where an ache used to be
Don't fall if love anymore
But I'd never met anyone like you before
Stay here with me for a couple more weeks
I think there's somethin' gon' on.

Somewhere in the vicinity of the heart
I feel somethin' hittin' me awful hard
I don't know where it's callin' me, I just know it starts
Somewhere in the vicinity of the heart.

--- Instrumental ---

(Shenandoah)

Well, it sure took a while to find it
It's been waiting there all this time

(Both)

Somewhere in the vicinity of the heart
I feel somethin' hittin' me awful hard
(Alisaon)

I don't know where it's callin' me
(Shenandoah)
Well, I just know it starts
(Both)
Somewhere in the vicinity of the heart.

Somewhere in the vicinity of the heart...mmm...
