Just about a mile off-a one-oh-nine  
There's a little church sittin' back in the pines  
I promised that girl she was gonna be mine  
I wouldn't be surprised if she was standin' there cryin'

Wo ah, I didn't know this bored-out ford could go so  
slow  
Wo ah, you got to put your foot down on the floor  
Yeah we've been rocking all night, now, don't you know  
You gotta get me to the church on Cumberland Road

Billy's passed out in the back, but I think he's alive  
Bobby's got his head hangin' over the side  
Here we are doin' only ninety-five  
What's the matter with you, man?  
I thought you said you could drive

Wo ah, I didn't know this bored-out ford could go so  
slow  
Wo ah, you got to put your foot down on the floor  
Yeah we've been rocking all night, now, don't you know  
You gotta get me to the church on Cumberland Road

Sweeter than the dew on a honeysuckle vine  
Hotter than noon on the fourth of July  
Cutest little girl that I ever have known  
Waitin' at the church on Cumberland Road

Wo ah, I didn't know this bored-out ford could go so  
slow  
Wo ah, you got to put your foot down on the floor  
'Cause we've been rocking all night, now, don't you  
know  
You gotta get me to the church on Cumberland Road  
We've been rocking all night, now, don't you know  
You gotta get me to the church on Cumberland Road
