Flowricious

East Coast shit

When niggers can't grab the mice

.. nigger really right

.. and you know the flow is nice

Don't have to thanks me cause I know

..

Flowricious

For all my niggers sipping brown

Blowing .. rolling to the baddest hoods

.. let's me know,

Flowricious

East Coast shit nigger over doze

Fuck the .. can't stand .. shut your ,

Big black .. to the cliff

If you wake a shit shut the fuck off

Go suck you a cliff .. you are nasty

You are not nice on a mice

You are , I am the Messiah

.. and you never fuck with my ..

I am too nice .. you are not in the real hip hop

Talking shit ,

All the bad bitches still checking for me

Those who love hip hop know

..all the real smokers know backwards is all I wrote

Purple ..on I hear that .. on the air

I laugh till tears drop from my eyes

.. look at the game is a good damn lie

Don't wanna be a apart

Your music has no heart

Even though I must ..

So I stay on my favorite shit

Cause I am forever

Don't matter .. I kill shit

.. let me drop some shit about this bitch I used to fuck

..open first day .. she fly from the .. bad bitch when she gave me ,

Give no pussy to your white ass ,

Flowricious

Thanks to feel
