Have you heard about the magical mountain up in
Redugo,
Have you drunk from it's magical fountain, sacred
Waterfalls,
Have you seen the neverseen colors of Redugo,
How they shine in this beautiful land you've never seen
Before

Have you flown over the colorful rainbow of Redugo
Have you walked trough the misty cavern all ice and
Snow
Have you rode the wild dragons and eagles of Redugo
Where they fly over the glittering lakes far down below

Save the princess
Save yourself
From the monsters
And the evil elf
Grab the treasure
On your way
All the pressure
Has gone away
Because I just saved the day

Have you danced under the midnight moons of
Redugo
Have you watched the shimmering star high up above
Have you felt the miracles happen in Redugo
Have you dreamt about this place before
And begged never to leave or go
This place called Redugo
That only you know, only you know

Save the princess
Save yourself
From the monsters
And the evil elf
Grab the treasure
On your way
All the pressure
Has gone away

Because I just saved the day

Oh Redugo, Where did you go
Oh Redugo, Where did you go
I used to go to Redugo
But now I can't find the road
Oh, Redugo, Where did you go
Oh Redugo, Where did you go
I used to soar to Redugo
But now I don't know
