"I'm back" [Intro] [Celph Titled talking] Yeah, Celph Titled, the motherfuckin' Rubix Cuban Bout to, bout to set it on y'all. Holdin' it down for Tampahiphop.com TPA, 8-1-3, Hillsborough County and all that That's where the fuck I'm from. And ain't none other You can catch me gangsta leanin' on palm trees and palm heat That rips off your arm and make you get down on all threes It's Tampa Bay to the death, until I'm in Hell And niggas can't rock ice here, their chains melt It's gold teeth and bass beats and Cubans run this shit We built ?Eborb? in 1886 motherfuckers Respect my district Or the next cat that shops New York City in my town is gettin' bitch whipped Cramtronix got my back and he ain't gotta tell why We speedin' up evolution, makin' shells fly I'm at the house of hip hop Cookin' rhymes in the kitchen With Sandman cuttin' and scratchin' the dishes Peace to every MC that's reppin' 8-1-3 You can't hate me, I put us on the map, basically Sold wax all over the world from Asia to Euro And everything I did was a product of Hillsborough But I'm not the only one There's plenty more from where I came from And my niggas gonna get they shine in due time There ain't no faggot shit here We keep it filthy And every time I brawl it's just that motherfuckin' Tampa in me What?
