"It has come to our attention that a mysterious force is
LOOSE..
somewhere in outer space."

"The mysteries of creation are there."

"Up in the sky?" "Up in the sky."

"The moon and the planets are there.
And new hopes for knowledge and peace are there.
And therefore as we set sail; we ask God's blessing --
on the most hazardous, and dangerous, and greatest
adventure
of which man has ever embarked." --> John F. Kennedy

"Prepared for liftoff."

[Guru]

I Self Lord And Master, shall bring disaster to evil
factors
Demonic chapters, shall be captured by Kings
Through the storms of days after
Unto the Earth from the Sun through triple darkness to
blast ya
with a force that can't be compared
to any firepower, for it's mindpower shared
The brainwake, causes vessels to circulate
like constellations reflect at night off the lake
Word to the father, and Mother Earth
Seeking everlasting life through this Hell for what it's
worth
Look listen and observe
and watch another C-Cypher pullin my peeps to the
curb
Heed the words; it's like ghetto style proverbs
The righteous pay a sacrifice to get what they deserve
Cannot afford to be confined to a cell
Brainwaves swell, turnin a desert to a well
Experience the best teacher; thoughts will spray
like street sweepers Little Daddy street preacher
Illustrious feature, narrator you select

Accompanied by Deck plus the DJ you respect
The seven and a half combine, over the frontline
The ten percenters, promotin slander in the airtime
Bear in mind jewels be the tools of the trade
Sharp veins heavenly praise and dues are paid

[Chorus: Guru]

Above the crowds, above the clouds where the sounds
are original
Infinite skills create miracles
Warrior spiritual -- above the clouds
reigning/raining down, holdin it down

[Inspectah Deck]

Yeah; I leave scientists mentally scarred, triple extra
large
Wild like rock stars who smash guitars
Poison bars from the Gods bust holes in your mirage
and catch a charge shake em down like the riot squad
Invade your zone, ruin like ancient Rome
I span the universe and return to Earth to claim my
throne
The maker, owner, plus soul controller
Ayatollah rest in the sky, the cloud's my sofa
Stand like Collossus, regardless to whom or what
Numerous attempts at my life, so who to trust
Who but us, to supply you with the fire?
The burning truth, 150 Absolut proof
On the mic like Moses spoke in golden scribe
Survivor of the oldest tribe whose soldiers died
I notified families, we shed tears and more
but our hands are the ammo cause the battle's still on
Sound the horn; we come rumblin through the function
Precise laser beam technique to touch somethin
When we die hard, to build the monument to honor us
with
Humungous effect in the world - we could have
conquered it

[Chorus] - 2X
