Visit "[Can You Feel It Baby](#)" on MotoLyrics.com

Love is a fire that burns you up and turns you o-on

Love is desire for something that you feel is wro-ong

Can you feel it baby-y, can you feel it in your mo-oves

Can you feel the magi-ic weaving soft and tender
grooves

Do you sence vibratio-io-ions going through your-our
mi-i-i-i-ind

And deep in your heart the beat is of a different kind

Love is a fire that burns you up and turns you o-on

Love is desire for somethin' that you feel is wro-ong

Even so-o-oh, even so-o-oh

Do you hear me baby-y, I am reachin' for your sou-oul

Do you hear me dreami-in', do you hear voices call

This is one sensatio-io-ion that you can't deny

So just let it be and if you want to you can cry

Ever so-o-oh, even so-o-woh-woh

Love is a fire that burns you up and turns you o-on

Love is desire for somethin' that you feel is wro-ong

Love is so good it's worth hangin' onto

Love never really stops till it's gone too far-ar

And you turn around and you see where you are

And you get the funniest feelin' that's it's more-more

Yeah-yeah, that's it's marvellous baby

More-more, that it's wonderful

Love is a fire that burns you up and turns you o-on

Love is desire for something that you feel is wro-ong

Love is a fire that burns you up and turns you o-on

Love is desire for something that you feel is wro-ong

Love is a fire that burns you up and turns you o-on

Love is desire for somethin' that you feel is wro-ong
