Title: Still in love with you

without a wor-ord

Walked out the door and took my heart away

Like emptiness of cloudless skies, miles of open sea

I can't replace this empty space in me

I was lost to see her leaving, left without a reason

I'm not sure that I can make it through

What am I to do

Here am I

I'm still in love with you

I don't know why

Lost in back street memories recalling love we ha-ad

A lonely man whose only plan went wrong

A broken mirror still reflects an image on the wa-all

Of a broken dream as only dreams can be

I'm not a great pretender to this feeling of surrender

I can't deny this love I have inside

What am I to do-oo

Here am I

I'm still in love with you

I don't know why, ooh-oo

Tomorrow's just another day with nothing left to do

Where no one goes to be nowhere at a-all

I wonder if the day will come when I will find at la-ast

A way to give my love to someone else

But I can see a sad tomorrow, no end in sight for

sorrow

All I see is deep and misty blue

What am I to do

Here am I

Still in love with you

I don't know why

What am I to do-oo

Here am I
Still in love with you
I don't know why-y-y
I'm still - in love...
