[Kelly Rowland]

You're so good, cause I got you  
Hold you down, boy, I gots to  
So secure, when I'm with you  
Your love is so  
Crazy  
I know my girls would try to diss you  
But they ain't 'round when I'm with you  
But I don't care cause it's official  
Your love is so  
Crazy

[Verse 1: Krayzie Bone] + {Kelly Rowland}

I hear that they goin' through dramatics with your  
friends and your family  
Catchin' him runnin' around with Krayzie, they just ain't  
understandin' me  
Probably because I'm from the streets and I was born a  
thug  
And I done been around the whole world, met a lot of  
the wrong girls  
Well baby girl, you need to tell him (Just tell him)  
The Thuggish Ruggish  
Love to gettin', ain't lovin' no better, we gon' be down  
forever  
Look  
I know your friends sometimes go run  
And tell you things  
You can come to me, I tell you everythang (Everythang)  
{Yes, they do}  
Because it's all real (It's all real)  
What you see (What you see)  
This is on me (This is on me)  
Everyday (Everyday)  
But I'm not tryin' to rush, I take ya time  
Real niggas is hard to find, here, we're hard to find  
{Baby, you're hard to find}

[Chorus: Kelly Rowland] + (Krayzie Bone)

You're so good, cause I got you (I got ya)  
Hold you down, boy, I gots to (You know you got to)  
So secure, when I'm with you (Don't worry about a  
thing, babe)  
Your love is so  
Crazy (Crazy, crazy)  
I know my girls are tryin' to diss you (They got issues)  
They ain't 'round when I'm with you (I'm with you)  
I don't care cause it's official (You know we got the  
good thing)  
Your love is so  
Crazy (Crazy, crazy)

[Verse 2: Layzie Bone] + {Kelly Rowland}  
I'm a always be your shinin' armor, I'm a help you down  
through the drama  
Little mama, you hold the key to my heart (To my heart)  
{My heart}  
I feel so special to be around you, wish right now, you  
could be around me  
You're the one that kept it real from the start (The start)  
{Yes I did}  
Probably have big dreams, live a better life, you came  
along, for the ride (Ride)  
You was confident, that I get it right, you would stay  
right here, by my side (Side)  
But things got crazy  
You was there for inspiration  
When the popo hand in there  
You was there for visitations  
(???) vacations ruin the nation  
But that's why they can't infiltrate it  
Only reason your girlfriends hate it, cause they wanna  
be switchin' places (Places)  
So many different smilin' faces go and come (Come)  
But a real woman is hard to find, so baby girl, you the  
one {You're so good}

Repeat Chorus

(Kelly Rowland in background)  
[Singer] Baby  
[Krayzie Bone] Baby, baby  
Let's escape this playa-hation (Let's escape)  
[Layzie Bone] Can we take it to another level  
[Krayzie Bone] I can take it to  
[Layzie Bone] Can we take it to another level (Oooh,  
oooh)  
[Singer] Baby (Baby)  
[Krayzie Bone] Baby, baby  
Let's escape this playa-hation (Let's escape)

[Layzie Bone] Can we take it to another level  
[Krayzie Bone] I can take it to  
[Layzie Bone] Can we take it to another level  
[Singer] Baby (I don't care what my girl say)  
[Krayzie Bone] Baby, baby  
Let's escape this playa-hation (I don't care what your  
parents say)  
I can take it to  
[Kelly Rowland] I don't care what the world may think  
'bout you

[Verse 3: Wish Bone] + {Kelly Rowland}  
You need to get him out your business, let him know  
who you kissin'  
Let him get inbetween us  
Do you know what you missin'?  
Baby girl, don't sleep  
You can ride with a thug  
And I don't play cheap... {Play cheap}  
Not thirsty, but you can thug like you can sleep (Sleep)  
Just ride with me, if I ain't got it, you can fire it up, for  
me {Ride with ya, baby}  
If it's live right, die for me (For me)  
Police askin'  
Lie for me (For me)  
Get it right, right here  
Sky with me (Sky with me)  
Ride with me (Ride with me)  
We can go where you wanna  
Hit the spot just for lovers  
With my lady (Lady)  
Keep it sexy (Sexy)  
Never undercover, that's my baby (Baby) {Feel so  
good}

Repeat Chorus

[Kelly Rowland] Your love is so  
[Play] Crazy  
Crazy  
Crazy  
Yeah  
[Kelly Rowland] Your love is so  
Your love is so  
[Play] Crazy  
Crazy  
Crazy  
[Kelly Rowland] Your love is so  
Crazy
