Last night we went to bed not talkin,
'cuz we'd already said too much.
I faced the wall you faced the window,
bound and determined not to touch.
we've been married 7years now,
sometimes it feels like 21.
I'm still mad at you this morning,
coffees ready if you want some.
I've been up since 5,
thinkin' bout' me and you
and I've got to tell you, the conclusion I've come to...

(CHORUS)

I'll never leave, I'll never stray,
my love for you will never change,
we'll get around to that.
I think I'm right I think you're wrong;
I'll probably give in before long.
please do'nt make me smile ,
I just wanna be mad for a while.

For now you might as well forget it ,
do'nt run youre fingers through my hair.
Yeah thats right I'm being stubborn,
no I do'nt wanna go back upstairs
I'm gonna leave for work without a goodbye kiss,
and as I'm drivein off just remember this:

(Repeat chorus)

I just wanna be mad for a while.
I just wanna be mad for a while.
I just wanna be mad for a while.
