Silence knows me
Calls out softly
Hard to tell what I go through
Heart over mind
Still crazy about you

I close my eyes
I can't go to sleep
I'm missing the beat
I'm hanging on the edge of darkness
Why can't you see
I'm waiting
Still waiting
Missing the beat of you

Ocean, sky blue
I can still feel the waves
The rush of you

I close my eyes
I can't go to sleep
I'm missing the beat
I'm hanging on the edge of darkness
Why can't you see
I'm waiting
Still waiting
Missing the beat of you

How many nights can I go through alone
How many times must I reach for you
To get you back
I close my eyes still missing the beat

I close my eyes
I can't go to sleep
I'm missing the beat
I'm hanging on the edge of darkness
Why can't you see
I'm waiting
Still waiting
Missing the beat of you
