If I show up ten minutes early baby
You can bet that you'll be running behind
But it when it comes to loving me now baby
I have to say you're right on time and

I've never been kissed, never been kissed
Never been kissed like this, no, no, no
I've never been touched, never been touched baby
'Til I felt your touch
Oh your love's going to my head so fast
Just like the bubbles in a champagne glass
Now I know what I've been missing
I've never been kissed, like this
Ooh like this

Well you're a fool for wild-eyed-poetry baby
I only like the kind that rhymes
And your a little rough around the edges now baby
But your kind of edges suit me just fine and

I've never been kissed, never been kissed
Never been kissed like this, no, no, no
I've never been touched, never been touched baby
'Til I felt your touch
Oh your love's going to my head so fast
Just like the bubbles in a champagne glass
Now I know what I've been missing
I've never been kissed
Ooh like this

This is more than temporary madness baby
This is more than hearts just doing time
If love weren't so serious we could laugh about it baby
Yeah we could laugh until we cried and

I've never been kissed, never been kissed
Never been kissed like this, no, no, no
I've never been touched, never been touched baby
'Til I felt your touch
Oh your love's going to my head so fast
Just like the bubbles in a champagne glass

Now I know what I've been missing
I've never been kissed, like this
Ooh like this

Ooh like this
I've never been kissed
No I've never been kissed
