Your love was reckless baby I fell deep  
Easy to hold but you were hard to keep  
You were a heartache waiting to be  
We took off flying down a dead end street

I never knew that love could hurt so bad  
When you said goodbye with a tip of your hat  
I watched you leaving across the welcome mat  
And though I know that you ain't coming back

One solitary tear is all I'll cry  
One solitary tear falling, falling,  
Falling from my eyes  
I'll get over you I'll get by  
One solitary tear at a time

Little things remind me that you're gone  
The mailman still brings all your catalogs  
The radio just keeps on playing our songs  
But I tell myself that I have to be strong

One solitary tear is all I'll cry  
One solitary tear falling, falling,  
Falling from my eyes  
I'll get over you I'll get by  
One solitary tear at a time

I'll get over you  
I'll get by  
One solitary tear  
At a time  
One solitary tear  
At a time
