Hey, there cowgirl
Where ya going to
Has the trail you're on
Caught up with you?

You've always known
The dice would roll your way
If your luck ran out
You could up and ride away, hey.

Chorus:
But cowgirl where's your home
You always ride alone
Why don't you settle down
Make a good man happy, oh
But you're always on the run
Is it somethin' or someone
Or a dream you haven't found
That keeps you in the saddle
Oh, ride 'em cowgirl.

You've had lovers
Yeah, they still come along
But you never let
Them love too long
Now it's twilight time
And the sun is sinkin' low
As your heart moves on
To another rodeo, oh.

Chorus:
But cowgirl where's your home
You always ride alone
Why don't you settle down
And raise a little family, oh
But your always on the run
Is it somethin' or someone
Or a dream you haven't found
That keeps you in the saddle
Oh, ride 'em cowgirl.

Time will always be the faster gun
So can you share the reins
Before your race is run.

Cowgirl where's your home
You always ride alone
Is it a dream you haven't found
That keeps you in the saddle, oh
Ride 'em cowgirl.

Ride 'em cowgirl.
Ride 'em cowgirl...
