You don't wanna smile.
It's been this way for awhile.
Got nothing good to say.
Friends are calling.
But you don't pick up the phone.
You don't wanna laugh.
You tore your diary in half.
You never leave your room.
Your days are cloudy.
And you spend your nights alone.

Sarah, you'll find the sun.
A little rain, falls on everyone.
Oh Sarah come out and play.
It's a big 'ol world, it's a brand new day.

You don't want to dance.
The music holds no romance.
You can't find the beat.
Your heart is heavy.
And love is a sad, sad song.
You don't want to sing.
The words they don't mean a thing.
You've lost the melody.
The party's over.
And maybe you've stayed too long.

Sarah, you'll find the sun.
A little rain, falls on everyone.
Oh Sarah come out and play.
It's a big 'ol world, it's a brand new day.

Oh, oh, it's never easy letting go.
Oh, oh, healing a heart can be so slow.

Sarah, you'll find the sun.
A little rain, falls on everyone.
Oh Sarah come out and play.
It's a big 'ol world, it's a brand new day.
