+You're Getting To Be A Rabbit With Me  
Though you once were the best bunny at the Playboy  
Club,  
You're getting to be a rabbit with me.  
I just sit there and stare as you hop from shrub to  
shrub.  
You're getting to be a rabbit with me.  
When I proposed to you that evening last spring,  
You said you'd be my mate.  
So I went out and bought a two-carat ring,  
And both of them you ate!  
Then your ears grew an inch, and your nose began to  
twitch,  
And I noticed your tail was attached permanently.  
So I keep you in the back yard, in a wooden hutch,  
'Cause you're getting to be a little too much.  
Like Bugs Bunny,  
You're getting to be a rabbit with me.  
I feel like something's switching,  
It's all so strange and new.  
Egad, my nose is twitching,  
I'm a rabbit too!  
I'm getting to be a rabbit,  
Hippity hop, I love you,  
I'm getting to be a rabbit like you.  
Move over honey, and pass the lettuce!
