n start trippin/ Flippin' on me all time.. and its been like
this all my

my mind on my
money man/ I'm spending my time on the grind tryna
shine, I'm concentrating
on running thangs/ I've been tryna hold it down, and

you steady tellin' me
it's over now/ She always talk loud, she always leave
me but always come
back around/ That's just what we go through, and you
know it's so true/
Every time I slip up she behind me,
gon' be right there to remind me.
