We're your friends
We're your friends
We're your friends to the bitter end
When you're alone
Who comes around
To pluck you up
When you are down
And when you're outside, looking in
Who's there to open the door?
That's what friends are for!
Who's always eager to extend
A friendly claw?
That's what friends are for!
And when you're lost in dire need
Who's at your side at lighting speed?
We're friends with every creature
Comin' down the pike
In fact we never met an animal
We didn't like, didn't like
So you can see
We're friends in need
And friends in need
Are friends indeed
We'll keep you safe
In the jungle for evermore!
That's what friends are for!
