Baby got me feeling sure,
You're what I've been looking for
Everybody says you're bad for me, everybody
says you're bad
But that just makes me want you more

Baby you're hot, na na na na
Hot like summer sun
You're hot hot, na na na na
Baby you're my number one
You're hot, na na na na
Hot like summer sun
You're hot hot, na na na na
Baby you're my number one, oh oh

I just can't believe my luck
I don't ever want to stop
Everybody says you're bad for me, everybody
says you're bad
But I just want to soak you up

Hot hot, hot like summer, hot hot hot hot
Hot hot, hot like summer, hot hot hot hot
Everybody says you're bad for me, everybody
says you're bad
Everybody says you're bad for me, everybody
says you're bad
