I got that super tie fragility...
The kind that makes you lick your lips
Wish you could get closer tonight
Imagine... hear the dance lose control
And I might take you home tonight
If you are lucky... roll the deice
You are hot cool my type
Two shots and I will take you on
What you say your name was
Tonight tonight I am gonna do something I am gonna
regret
Tonight I am gonna do something I likely forget
... crushing my head see all comes back
Bits and pieces Bits and pieces
Bits and pieces Bits and pieces
Bits and pieces Bits and pieces
Bits and pieces Bits and pieces
Bits and pieces Bits and pieces

Might do that... might do that what that will mean
Till it all comes flashing back
Bits and pieces
I am gonna act a fool break the rules
Get into trouble start a few fights... see double
Gonna pick that time and shut it down
Hurry up and lose control

Tonight tonight I am gonna do something I am gonna
regret
Tonight I am gonna do something I likely forget
... crushing my head see all comes back
Bits and pieces Bits and pieces
Bits and pieces Bits and pieces
Bits and pieces Bits and pieces
Bits and pieces Bits and pieces
Bits and pieces Bits and pieces

Where did I go after I left the club
How did I get on might still be on
I am in bed I don't know
This stranger on my phone

...
Bits and pieces Bits and pieces
She said let's get back to bed...
Tonight tonight I am gonna do something I am gonna
regret
Tonight I am gonna do something I likely forget
... crushing my head see all comes back
Bits and pieces Bits and pieces
Bits and pieces Bits and pieces
Bits and pieces Bits and pieces
Bits and pieces Bits and pieces
Bits and pieces Bits and pieces
