You won't ask then I won't tell
anything about myself to you
Honey, I'm an open book
a little hard to read that may be true,
a little hard to read that may be true
Am I worth your time?
I'm on the ground now and you won't ask me
how I fell tonight but I would tell you
everything you want me to tonight
So c' mon ask and I will tell
everything about myself to you
Honey, I'm an open book
and you and me are long sence overdue,
and you and me are long sence overdue;
I think it's worth your time
I'm on the ground now and you won't ask me
how I fell tonight but I would tell you
everything you want me to tonight
but please wait up for me
this time I'll draw the line
and you won't laugh at me,
if I see you start to leave;
please wait up for me,
please wait up for me,
please wait up for me,
I'm on the ground now you won't ask me
how I fell tonight but I would tell you
everything you want me to tonight
Please wait up for me.
