*[Chorus]*

You just left me six feet under ground  
I'm burning at the sight of the light  
I'm down here six feet under  
buried alive, with one open eye

Every time you come around  
you leave me broken  
What have I done wrong?  
You're tearing me apart now,  
without a word spoken  
You've gone far to long

Now why you stroke me down?

You gave me no sign  
Now why you let me drown?  
Why?

*[Chorus]*

Every time you come around  
you leave me burning  
Got nothing but scars  
You're tearing me apart now,  
But I'm not learning  
Still who you are

Now why you stroke me down?  
You gave me no sign  
Now why you let me drown?  
Why?

*[Chorus]*
