We can never know if we will fade
Or stay strong
We can never know what is right
Tell me what is wrong

Off shore in the deep darkness
Off course when your senses sharpen
Yeah

Let's ride the crest of the wave
Let's ride the crest of the wave
Let's fight for the rest of our days
Let's ride the crest of this wave

Yeah
Yeah

We can never know if it's here
We belong, no
We can never know if it's here
Or if it's gone

Off-centered when the world is spinning
Makes you dizzy right in the beginning
But wait

Let's ride the crest of the wave
Let's ride the crest of the wave
Let's fight for the rest of our days
Let's ride the crest of this wave

Yeah
(Ooh yeah)
Yeah
(Ooh yeah)

Let's just ride the crest of the wave
Yeah, babe
Let's just ride the crest of the wave
Yeah, babe, yeah

Off shore in the deep darkness

Yeah

Let's ride the crest of the wave
Let's ride the crest of the wave
Let's fight for the rest of our days
Let's ride the crest of this wave

Let's ride
(Ooh yeah)
Let's fight
(Ooh yeah)

Yeah, babe, yeah
Yeah
(Yeah)

Let's just ride the crest of the wave
Yeah, babe
Let's just ride the crest of the wave
Yeah, babe, yeah
