Hey man, here's my plan
I'm gonna break it
Hey you, don't be sad
Here's your chance, so take it
If you slap my face, if you don't call
Honestly, I don't care at all

Maybe I'm a bit complicated
All I know is

I don't cry for pain, don't cry from fear
You know that
I don't cry in the rain, no, not a tear
You know that

Before you leave, when you go
I think you ought to know
Don't cry for pain, I only cry for love

Hey now, dry them tears
You know we'd never make it
?Cause you caught my eye, not my heart
And play it safe, no, I'm not that smart

I never meant, to be this complicated
All I know is

I don't cry for pain, don't cry from fear
You know that
I don't cry in the rain, no, not a tear
You know that

Before you leave, when you go
I think you ought to know
Don't cry for pain, I only cry for love

I need something making me defenseless
I don't want another waste of time
You can't hurt me so, I'm sure this can't be right

I don't cry for pain, don't cry from fear
You know that

I don't cry in the rain, no, not a tear
You know that
Before you leave, when you go
I think you ought to know

I don't cry for pain, don't cry from fear
You know that
I don't cry in the rain, no, not a tear
You know that

Before you leave, when you go
I think you ought to know
Don't cry for pain, I only cry for love
