I wanna taste the bittersweet, yeah
I wanna start a riot in these city streets
I don't wanna live life on repeat, no
I wanna crash everything in the presidential suite

Here I go again
And I feel so good, yeah, I feel so fine
Like a hurricane
I'm gonna fall again, I'm gonna cross the line
I can't wait another day, no
I'm ready to be blown away
Here I go again

Always looking for a thrill, yeah
I love the chaos when I start a fire drill
I've got so much time to kill
I keep making promises I know I can't fulfill

Here I go again
And I feel so good, yeah, I feel so fine
Like a hurricane
I'm gonna fall again, I'm gonna cross the line
I can't wait another day
I'm ready to be blown away
Here I go again

Some days frustration is on
Feeling out of place and all hope is gone
In so many ways the temptation's too strong
It's all good when it's wrong

I wanna make somebody pay
I wanna speak although I've got nothing to say
Anything to make my day
I'll run you over if you're standing in my way

Here I go again
And I feel so good, yeah, I feel so fine
Like a hurricane
I'm gonna fall again, I'm gonna cross the line
I can't wait another day
I'm ready to be blown away

Here I go again

Here I go again

And I feel so good, yeah, I feel so fine

Like a hurricane

I'm gonna fall again, I'm gonna cross the line

I can't wait another day

I'm ready to be blown away

Here I go again and again and again

Here I go again

Here I go again
