I'm stupid, you're smarter
I'm stupid, thinking there's a way
This could turn out right

I'm dreaming, you woke up
I should have known from the start
That you were never mine

Cause if I can't make you love me
You're out of reason to stay
Make it easy on yourself
Don't worry 'bout me
Can't make you feel somethin you don't

I'm crying, but don't pity
I'm dying, but just walk away
It will be alright

Cause I was dreaming, but you woke up

And I'm gonna miss you but I
I'm gonna be alright

I'm stupid, you're smarter
I'm stupid, thinking there's a way
This could turn out right

Cause if I can't make you love me
You're out of reasons to stay
Make it easy on yourself
Don't worry about me
If I can't make you love me
You're not the one here to blame
I will make it on my own
Don't worry 'bout me
Don't worry 'bout me
Don't worry 'bout me
If I can't make you love me
