I have heard it all a millions times before, that's why
you are so easy to ignore
Why don't you go and sing your prairs for someone
else, who cares.

I'm young and I want to explore, say I have it all well I
want more.
You can try to, you can try to.

(chorus)

Tame me, same me, break me, make me, think I fall
asmile,
You can try to Tame me, same me, take your passion,
'cause I dare you try. And tame me,

Non there be available why that hard, I've been that
way like from the start, I can be much more but I'll be
nothing less then a mess , and I might be a weird one
but I'm smart there you know I'm quite a piece of art.
You can try to, you can try to

(chorus)

Tame me, same me, break me, make me, think I fall
asmile,
You can try to Tame me, same me, take your passion
'cause I dare you try. And tame me, Tame me,
You may or may not have our understand, life is short I
live it while I can.
You can try to, you can try to

(chorus)

Tame me, make me think I fall asmile,
You can try to tame me. Save me linking words my
while.
You can try to tame me, same me take your passion
'cause I dare you try. And tame me

Tame me, same me, break me, make me, think I fall
asmile,
You can try to Tame me, same me, take your passion,
'cause I dare you try. And tame me,
Tame me, tame me, (you can try to tame me, same

me)
