one love one shot its all we ever got  
girl you got me started now i'm not gonna stop  
now slide along side yeah baby thats right  
i'm gonna show you the time of your life  
oh pretty girly come and dance with me  
move that naughty body come close to me  
now slide along side yeah baby thats right  
i'm gonna show you the time of your life

this is it love, its what dreams are made of  
but its still up to us to feel the rush  
to pursue only things gods can touch  
i wanna beat the odds with a royal flush to fall  
i gave my all but it wasn't enough, i'm never giving up  
i found life so if you gotta live it up  
and life is to short for war  
what can i say to show theres more  
with people slamming doors in my face and what for

that ain't the way the games plays  
by making the same mistake day after day  
i gotta slide run get away  
a smile on my face, its a sunny day  
girls and drinks and more drinks come to think  
for such a big place its a small world  
for such a rat race i still got faith  
and anything goes still i got to say  
life has its ups and downs  
but i love it anyway

one love one shot its all we ever got  
girl you got me started now i'm not gonna stop  
now slide along side yeah baby thats right  
i'm gonna show you the time of your life  
oh pretty girly come and dance with me  
move that naughty body come close to me  
now slide along side yeah baby thats right  
i'm gonna show you the time of your life

hey pretty girl ready girl its on  
we're gonna dance right boogie come on

do it all night long  
let it go and hold them back now  
gotta slide pretty baby thats right theres nothing i cant  
do  
with you by my side  
theres no where we can go that we wouldn't show 'em  
up  
i got an appetite for destruction living life thats right  
shes daddy's little angel but she wasnt last night  
now these are the breaks yea baby thats right  
and i got you, yea i got you baby,  
i want your body and you drive me crazy  
its hard to resist such a sexy lady  
come with me you'll have the time of your life  
you more than set the mood i guess the timing is right  
and it takes two to make a thing go right  
but whats it gonna take to take you home tonight

one love one shot its all we ever got  
girl you got me started now i'm not gonna stop  
now slide along side yeah baby thats right  
i'm gonna show you the time of your life  
oh pretty girly come and dance with me  
move that naughty body come close to me  
now slide along side yeah baby thats right  
i'm gonna show you the time of your life

gonna shine like a sunny day  
all you girls coming out and play  
if you want you can slide my way  
let me hear you say ya-ay-ay  
gonna shine like a sunny day  
all you girls coming out and play  
if you want you can slide my way
