You know you have what it takes to be a star
You're the next big thing that's what you are
You can do it, you can make it
Go the farthest far

Just believe in yourself, everything you can do
You gotta show what you have, all the best in you
The glitz and the glamour and the fame is yours
Don't stop baby!

Chorus:
You'll be a star (star circle quest)
You go that far (star circle quest)
A star that's what you are
Here in a star search for the best (star circle quest!)

Oh oh yeah... (star circle quest)
Yeah oh oh yeah... (star circle quest)
Yeah oh oh...
The magic continues in a star search for the best (star
circle quest)

You know you have what it takes to be a star
You're the next big thing that's what you are
You can do it, you can make it
Go the farthest far

Just believe in yourself, everything you can do
