I'm wiser now I'm not the foolish girl you used to know  
So long ago  
I'm stronger now  
I've learned from my mistakes which way to go  
And I should know  
I put myself aside to do it my way  
And now I need to do it all alone

And I am not afraid to try it on my own  
I don't care if I'm right or wrong  
I'll live my life the way I feel  
No matter what I'm gonna keep it real you know  
Time for me to do it on my own

It's over now  
I can't go back living through your eyes  
Too many lies  
And if you don't know by now  
I can't go back to being someone else  
Not anymore  
I never had the chance to do it my way  
But now it's time for me to take control

And I am not afraid to try it on my own  
I don't care if I'm right or wrong  
I'll live my life the way I feel  
No matter what I'm gonna keep it real you know  
Time for me to do it

Oh, I'll start again, go back to one  
I'm running things in my way  
Can't stop me now, I've just begun  
Don't even think about it  
There ain't no way about it  
I'm taking names, the ones of mine  
Yes I'm gonna take my turn  
It's time for me to finally stand alone, stand alone

I am not afraid to try it on my own  
And I don't care if I'm right or wrong  
I'll live my life the way I feel  
No matter what I'm gonna keep it real you know

Time for me to do it

See I'm not afraid...

(I am not afraid to try it on my own)

I don't care if I'm right or wrong

I'll live my life the way I feel

No matter what I'm gonna keep it real you know

Time for me to do it on my own

Ohhh
