I wanna call the stars down from the sky
I wanna live a day that never dies
I wanna change the world only for you
All the impossible, I wanna do

I wanna hold you close under the rain
I wanna kiss your smile and feel the pain
I know what's beautiful looking at you
In a world of lies, you are the truth

[CHORUS]

And, baby, everytime you touch me, I'll become a hero
I'll make you safe no matter where you are and bring
you
Everything you ask for, nothing is above me
I'm shining like a candle in the dark
When you tell me that you love me

I wanna make you see just what I was
Show you the loneliness and what it does
You walked into my life to stop my tears
Everything's easy now, I have you here

[Repeat CHORUS]

[BRIDGE]

In a world without you, I'll always hunger
All I need is your love to make me stronger

[AD LIB]

Yeah
And bring you

[Repeat CHORUS except first two lines]

I'm shining like a candle in the dark
When you tell me that you love me
You love me
When you tell me that you love me
