Felt too much, did she feel a thing?  
Long, dark hair, never saw her cry  
In two halves I was torn  
My maybe love who wouldn't even try

She loves me, she loves me not (2x)

I saw you only yesterday  
We shared a smile, then went our separate ways  
Perhaps one day? never mind  
All the nights we shared, were we just killing time?

She loves me, she loves me not (2x)

For all the things I said to her and all the ways I tried  
And all the things I did for her, they're lost with one  
goodbye

She loves me, she love me not

She loves me, she loves me not (2x)

For all the things I said to her and all the ways I tried  
And all the things I did for her were lost with one  
goodbye

She loves me, she love me not

She loves me, she loves me not
