### "A Song To You"

I tried to write a song to you but all the words got stuck  
A simple song with simple words something to cheer  
you up  
I tried so hard  
I really did  
Worked for hours without luck  
I tried to write a song to you but all the words got stuck

I tried to write a song to you but all the words got stuck  
A simple song with simple words something to cheer  
you up  
I tried so hard  
I really did  
Worked for hours without luck  
I tried to write a song to you and this is all I've got

It's my song song to you  
It's my song song to you  
It's my song song to you
