I can't shake it, 'cause I'm thinkin' of you
I can't shake it, and don't know that to do
I can't shake it, this feeling's so strong
I can't shake it, I can't take it any longer

I see you walking, and I want you
I hear you talking, what can I do, oh no

I can't shake it, 'cause I'm thinkin' of you
I can't shake it, and don't know that to do
I can't shake it, this feeling's so strong
I can't shake it, I can't take it any longer

I see you walking, and I want you
I hear you talking, what can I do, oh no, oh no

I see you walking, and I want you
I hear you talking, what can I do
I try to call, but you don't hear
I'm thinking of you, but you don't care, oh no, oh no
