I was swinging around doing the pogo  
When I saw that girl she was fixing her mohawk  
She looked real fine so I took a chance  
I said come on baby do you wanna dance?  
She said no, you can't

Dance to the Rocket from the crypt  
Dance to the Rocket from the crypt  
Dance to the Rocket from the crypt  
Dance to the Rocket from the crypt  
You can't dance to the Rocket from the crypt  
Dance to the Rocket from the crypt  
You can't dance to the Rocket from the crypt  
Dance to the Rocket from the crypt, no!

I said hey girl you're out of your mind  
I'm gonna show you how to move around  
We're gonna dance all night we're gonna lose control  
I'm gonna show you how to rock 'n' roll (use the floor)  
I said yeah we're gonna

Dance to the Rocket from the crypt  
Dance to the Rocket from the crypt  
Dance to the Rocket from the crypt  
Dance to the Rocket from the crypt  
We're gonna dance to the Rocket from the crypt  
Dance to the Rocket from the crypt  
Gonna dance to the Rocket from the crypt  
Dance to the Rocket from the crypt  
Dance to the Rocket  
Dance to the Rocket  
Dance to the Rocket yeah  
Dance to the Rocket  
Dance to the Rocket  
Dance to the Rocket yeah, so come on!
