Maybe the world is a mess
But baby I like your dress
I've seen you around
I hear you're the best in town

Fuck you
Fuck you
Fuck you
Fuck you

Out on the streets all alone
Looking for someone to take home
I see you on your own
Oh babe I wanna bring you home

Fuck you
Fuck you
Fuck you
Fuck you

Fuck you
Fuck you
Fuck you
Fuck you

Maybe the world is a mess
But baby I like your dress
I've seen you around
I hear you're the best in town

Fuck you
Fuck you
Fuck you
Fuck you
Fuck you
Fuck you
Fuck you
Fuck you
