...And you're always late  
Why do you move so slow?  
How long should I wait?  
I wanna know

How long is too long? How late is too late? I can't wait

Well, what's your problem now?  
Come on it's time to go  
I wanna draw that line  
I wanna know

How far is too far? How late is too late? I can't wait  
How far is too far? How late is too late? I can't wait

I can't wait, I can't wait no more...

There's a limited supply  
That's all you need to know  
And now it's running dry  
We'd better start the show  
'cause when you ain't got nothing, you ain't got nothing  
to lose  
I'm not gonna be left behind this time just because of  
you  
I wanna know

How high is too high? How late is too late? I can't wait  
How bad is too bad? How late is too late? I can't wait

I can't wait, I can't wait no more...
