Hey I'm OK, I'm alright
I'm supposed to be this way
I feel great, and I like
All the different shades of gray

Down and out, for a while
Your bark was harder than your bite
I'll be fine, I am sure
It's only a flesh wound

So I guess I'm OK
I sort of like it this way
I don't know what to say
So I guess I'm OK

Common sense, slows you down
Leaves a bad taste in your mouth
It's far too late, to die young
And what is done is done

So I guess I'm OK...

Hey I'm OK, I'm alone
I don't really need a friend
I always say, what I mean
But I don't always mean what I say

So I guess I'm OK...
