"I'm gonna do a little song for you now  
that will make you clap your hands,  
kick your feet, and as a matter of fact,  
it will tear you up"

It's another Saturday night  
and I'm out on my own  
I need a drink I'm so messed up  
I wanna be alone  
Got some money in my pocket  
and some trouble in my mind  
Don't wanna talk about it  
I haven't got enough time

So why don't you  
Shut up take a walk  
I'd rather drink than talk...

It's another Saturday night  
Don't wanna talk to you  
You're nothing but a waste of time  
Don't like you're attitude

So why don't you...

Well I've had enough  
Come on give me a break  
Don't wanna hear about your life  
It's more than I can take  
No I don't wanna know  
I've got better things to do  
Why don't you leave me alone  
I've got no time for you

So why don't you ...
