Gimme everything I want  
Gimme everything you've got  
Gimme more than I can hold  
Gimme - I'm coming back for more

Break down the beautiful  
Rip up the sad  
Everyone's for sale

Gimme more than I can handle  
Gimme gimme more than ever, yeah

Let's buy the Whitehouse  
and paint it black  
Everything's for sale

If you could see me now  
If you could see me now...

Gimme everything I want...

I love money  
but I hate the rich  
and I can pay for my sins

If you could see me now  
If you could see me now...

Break down the beautiful  
Rip up the sad  
Everyone's for sale

If you could see me now  
If you could see me now...
