I'm wide awake (can't go to sleep)
I know they always (watchin' me)
They're after me (all the time)
I know they are 'cause (I'm not blind)

I'm bugged
I'm bugged
I'm bugged

They read my letters (tap my phone)
They're takin' pictures (of my dog)
They're after me (all the time)
I know they are man (I'm not blind)

I'm bugged
I'm bugged
I'm bugged

I'm wide awake (can't go to sleep)
I know they always (watchin' me)
They're after me (all the time)
I know they are 'cause (I'm not blind)

I'm bugged
I'm bugged
I'm bugged
