I'm gone - I don't know where I am
I'm gone - Like the money I just had
I'm gone - But I haven't left town
I'm gone - More lost than found
I'm gone

You know I'll be gone before
You can count to three or four
You know that I'll be...

Gone as a dog gone dinosaur dog eat dog like a cat in
a gold fish bowl
I'm gone for good for better and for worse than you by
the way did you see my note NO!

I'm gone - Missing in the fog
I'm gone - I'm drinking with the dogs
I'm gone - I'm not really home
I'm gone - Do you wanna come along?
I'm gone

You know I'll be gone before...

Gone as a dog...
