What can I say what can I do?
I can't let you go
I'm not the same guy anymore
You don't believe me but it's true every single word
I would do all of this for you

You're on my mind all of the time
Machine gun justice
It's gonna bring you back to me
Machine gun justice
I won't stop for anything...

I'll make some stew with my brain and serve it as a
meal
If it would bring you back to me
I'd drain the cup of misery all down to the dregs
I'm going crazy can't you see

You're on my mind all of the time
Machine gun justice...

I would mutilate myself
If you want me to and mail the pieces back to you
You just tell me what to do
And I'll give you my heart my kidneys and my liver too

You're on my mind all of the time...
