I say no this is not for me I'm not part of this it's a bad idea I won't go down that road No I won't do what I've been told As far as I can see there's nothing there for me

I say no more

No say

No deal

No way

No

And I know what to do with this I don't need to know what the problem is I'm alright and I'm telling you So you can feel the same way too You can be as cool as me with my progressive philosophy

I say no more

No say

No deal

No way

I say no more

No say

No deal

No way

No chance

No go

No yes

No no

No

I say no this is not for me I'm not part of this it's a bad idea I won't go down that road I won't do what I've been told

I say no more

No say

No deal

No way

I say no more

No say

No deal

No way

No chance

No way

No yes

No no

No no no no...
