Well I'm six foot seven
I weigh about twenty one stone
I've got forearms wide as tree trunks
And I'm proud of what I've done

Yeah I'm the Sarge I'm a bible man
I'm so sharp I'm gonna cut myself
I don't want to be pushed around
I'm gonna turn you inside out

You know it's payback time
And I ain't got time to bleed

Yeah I'm the Sarge I'm a bible man
I'm so sharp I'm gonna cut myself
I don't want to be pushed around
I'm gonna turn you inside out
Yeah yeah...
I'm the Sarge and I'm here to stay

I'm the good guy on your side
And I'm here to save the world

Yeah I'm the Sarge I'm a bible man...

I'm the Sarge and I'm here to stay
I'm the Sarge and I'm going in
I'm the Sarge and I'm gonna win
I'm the Sarge and I am the king...
