I'm not wasting any time
'cause I don't know what to do
I don't know where to go
I haven't got a clue I've got no plans I don't know what
to do
But I don't care is that a problem for you

I've got so much time so little to do...

I don't have too many dream
I like when things are slow
My life is good enough
I just love doing nothing at all
I've got no plans I don't know what to do
But I don't care is that a problem for you

I've got so much time so little to do...
I've got no plans...

I haven't done that much
But I don't really care
I've got all I need
Don't wanna go anywhere

I've got no plans...
I've got so much time so little to do...
